ZEPHYR FIBER BROADBAND
Customer Terms and Support FAQ
Version 4.2 - Effective 1 April 2026

This document explains Zephyr Fiber plans, billing, installation and support. It is a fictional document created for testing an AI customer support assistant.

SECTION 1: PLANS AND PRICING

Zephyr Fiber offers four home broadband plans. Prices are per month and include 18% GST.

Basic: 50 Mbps, Rs. 599 per month, fair usage limit 1 TB per month
Plus: 100 Mbps, Rs. 799 per month, fair usage limit 2 TB per month
Pro: 300 Mbps, Rs. 1,099 per month, fair usage limit 3.3 TB per month
Max: 1 Gbps, Rs. 1,799 per month, unlimited usage under fair use policy

Speeds are symmetrical, meaning upload speed equals download speed. Speeds apply on a wired connection. WiFi speed depends on your device, distance from the router and interference from walls and other networks.

Once a customer crosses the monthly fair usage limit, speed is reduced to 3 Mbps until the next billing cycle starts. Max plan customers are not slowed down unless usage is abnormal (more than 10 TB in a month).

Static IP address: Rs. 250 per month, available on Pro and Max plans only.

SECTION 2: INSTALLATION AND EQUIPMENT

Standard installation takes place within 3 working days of KYC approval. Installation covers up to 30 metres of fibre cable from the nearest distribution box. Additional cable is charged at Rs. 12 per metre.

Installation fee:
- Rs. 1,500 on monthly plans (non-refundable)
- Rs. 1,000 on 6-month plans
- Free on 12-month plans

Router: A WiFi 6 router is provided on rent-free basis with a refundable security deposit of Rs. 2,000. The deposit is refunded within 10 working days after the router is returned in working condition. If the router is lost or damaged, the deposit is forfeited.

Customers must complete KYC with a government photo ID and address proof (Aadhaar, passport, voter ID or utility bill not older than 3 months).

SECTION 3: BILLING

Bills are generated on the 1st of every month and are due on the 7th. A grace period of 5 days applies after the due date. After the grace period a late fee of Rs. 100 is added.

If a bill remains unpaid for 30 days after the due date, the connection is suspended. Reconnection after suspension costs Rs. 300 and is done within 24 hours of payment.

Payment methods: UPI, credit and debit cards, net banking and auto-pay. Cash is accepted only at Zephyr experience stores. Customers who enable auto-pay get a Rs. 25 discount on every bill.

GST invoices are available in the customer portal. To add a business GSTIN, write to billing@zephyrfiber.example before the 25th of the month.

SECTION 4: OUTAGES AND COMPENSATION

If your connection is down, first restart the router, wait 2 minutes and check that the fibre cable is firmly connected. If the problem continues, call the 24x7 outage line 1800-555-0199 or raise a ticket in the app.

Engineers visit within 24 hours of a confirmed fibre fault. If an outage lasts longer than 24 hours, Zephyr credits Rs. 25 for every additional full day of outage to your next bill. Credits are not given for outages caused by customer premises equipment, power failure at the customer location, or planned maintenance announced 48 hours in advance.

SECTION 5: RELOCATION, UPGRADES AND CANCELLATION

Relocation: Moving your connection to a new address within the same city costs Rs. 500 and takes 5 to 7 working days. Relocation to another city is treated as a new connection.

Upgrades: Plan upgrades take effect within 2 hours and are charged pro-rata. Downgrades take effect from the next billing cycle.

Cancellation: Customers must give 30 days notice by email to care@zephyrfiber.example or through the app. On 6-month and 12-month plans, cancelling before the end of the term incurs an early termination fee of Rs. 200 for every remaining month. Monthly plan customers have no early termination fee.

SECTION 6: CONTACT AND SUPPORT HOURS

24x7 outage and technical line: 1800-555-0199 (toll free)
Billing and sales: care@zephyrfiber.example, phone 1800-555-0144, Monday to Saturday, 9:00 AM to 8:00 PM
Zephyr experience stores are open daily from 10:00 AM to 7:00 PM.

Zephyr Fiber currently operates in Pune, Nashik, Nagpur and Indore. Services are not yet available in other cities.
