GreenLeaf Online Pharmacy - Delivery, Returns and Prescription Policy

Version 2.1, effective 1 February 2026. This is a fictional document created for testing an AI customer support assistant.

1. Prescriptions

A valid prescription is required for all Schedule H and Schedule H1 medicines. Upload a clear photo or PDF of the prescription at checkout. The prescription must show the doctor's name, registration number, date, and the patient's name.

A prescription is valid for 6 months from the date of issue, except for chronic-condition medicines, where it is valid for 12 months. Our pharmacists verify prescriptions between 9:00 AM and 9:00 PM every day, usually within 2 hours. Orders placed outside these hours are verified the next morning.

GreenLeaf does not sell narcotic or psychotropic drugs under the NDPS Act. Pharmacists may call your doctor to confirm a prescription.

2. Delivery

Option	Delivery time	Charge
Express	Within 4 hours (8 AM to 8 PM)	Rs. 49
Standard	Next day	Free above Rs. 400, otherwise Rs. 40

Delivery is available in Mumbai, Pune, Thane and Navi Mumbai. Temperature-controlled medicines such as insulin are delivered only through Express delivery in an insulated pack. Someone must be available to receive the order, and our delivery partner may ask for an OTP.

If the delivery attempt fails twice, the order is cancelled and refunded within 5 working days.

3. Returns and Refunds

Medicines. For safety reasons, medicines cannot be returned once delivered. The only exceptions are wrong items, damaged items and medicines that are expired or near expiry (less than 3 months of shelf life at delivery). Report the problem within 24 hours of delivery with a photo of the product and the packaging. We will send a replacement or give a full refund.

Health devices and wellness products. Blood pressure monitors, glucometers, thermometers and similar devices can be returned within 7 days of delivery if unopened and in original packaging. Opened devices are covered only by the manufacturer's warranty.

Refund timing. Refunds are made to the original payment method within 3 to 5 working days after we approve the return. Cash on delivery refunds are made to your bank account or wallet.

4. Substitutions and Discounts

Pharmacists may suggest a generic substitute with the same salt composition, but we never substitute without your consent. Discounts are up to 15% on branded medicines and up to 50% on generic medicines. Discounts on health devices vary by product.

5. Medical Advice

GreenLeaf pharmacists can answer questions about how to use a product, storage and side effects through free chat. They cannot diagnose conditions, change a prescribed dose or recommend a medicine without a prescription. Please consult your doctor for medical advice.

6. Contact

Customer care is available every day from 8:00 AM to 10:00 PM. Email care@greenleaf.example or chat in the app. In an emergency, please call your local emergency number instead of contacting customer care.
